Committee Members:

1. Advisor:
- 2.
- 3.
- 4.
- 5.

**Instructions:** Each student must submit the names of four departmental faculty members, one of which is your advisor, and one faculty member from outside the department. The fifth faculty member is required for thesis defense only and is generally the faculty member outside the department.

Selection of committee members should be done in consultation with the student's advisor. Each potential committee member should be consulted about their willingness to serve prior to submission of the names. The nomination form must be submitted to the Graduate Office for departmental approval. The form is due by December 1<sup>st</sup> of the student's second year of graduate school. The committee will serve as the student's Mentoring Committee, Candidacy Committee, and Thesis Committee. The student is required to meet with the committee annually to assess the student's progress.
